

- One of Ontario's most comprehensive hospital systems
- Comprised of five hospitals and five specialized facilities
- Our health services cover the entire human lifespan: from pre-birth to end of life
- We serve a patient population of 2.3 million people across Hamilton and South Central Ontario
- 15,000+ employees
- 2,000+ physicians
- 1,200+ volunteers

Hamilton Health Sciences (HHS)

MISSION: To provide excellent health care for the people and communities we serve and to advance health care through education and research.

HHS Clinical Priorities/Pillars:

1. **Patients**- provides an excellent patient and family experience
2. **People** – engages, empowers and enables HHS staff to deliver our Mission
3. **Sustainability** – meets the health care needs of the communities we serve
4. **Research, Innovation & Learning** – leads for the benefit of our community and the world.

Vision:
"BEST CARE for ALL"
